# Creation Care Carnival @ Christ Church

Friday 6 November 2009

6.30-9.00 pm

**An evening of merrymaking with feasting,  
markets, music and other entertainment**

*Join us as we celebrate God's gift of creation, creativity and other blessings  
and acknowledge our responsibility to appreciate, nurture and protect the Earth.*

## What to expect

Food and local produce to contribute, buy and enjoy. The first part of the evening will offer an opportunity to buy locally made goods and fresh, wholesome food which you can enjoy while troubadours set the mood for an evening of relaxed entertainment.

Later, browse the stalls before wandering off to listen to a highly original presentation of music, poetry and drama in the church.

Children will be entertained by an optional suitably themed movie upstairs in the Annex.

All in all, a time to relax and share the gifts and fruits of our church community.

## How can you participate?

Help us make the evening a success! You could:

- ✎ Sell your locally made products, such as olives, breads, cheeses, honey, oils, juices etc
- ✎ Bring and sell food for supper – all natural and local of course!
- ✎ Participate as a troubadour, playing a musical instrument
- ✎ Take part in the indoor entertainment by reading a poem, staging some drama or making music
- ✎ Offer to assist in other ways.

**Entrance: R10**

**All goods sold will be for the benefit of those who made them (with a small donation to the church).**

**If you would like to sell food and goods or be part of the entertainment, please contact Peter Johnston: 083-305 8582 [pjohn@csag.uct.ac.za](mailto:pjohn@csag.uct.ac.za) OR sign up at the info table, and we will be in touch soon.
